SUBJECT

Improvements to the making
Hospital at Bangalore

22 To, The Senior Surgeon
NoL 3985/d 2.12.25.
Forwards copy of letter
of the Chief Engineer in the matter

HS
5/12/25

3439-23

Copy of Remarks made by the Dewan in the Visitors' Book of the Maternity Hospital, Bangalore, on 12th December 1923.

---

1. I inspected the Maternity Hospital this morning with a view to see the conditions under which Dr. Jhirad has to work. I am glad to find that in spite of many drawbacks and inconveniences and short comings in existing organizations and arrangements, she has brought this institution to a high level of efficiency and usefulness.

(2.) The following are some of its urgent needs and should be provided for by the Department immediately.

(i) A new labour ward which must be connected with the two main in-patient wards by corridors;

(ii) The present labour wards in the two blocks to be fitted up as lying-in-wards;

(iii) The staff should consist of the Lady Medical Officer in charge who should have the assistance of one Lady Assistant Surgeon and one Sub Assistant for her in-patient and surgical work. There should be in addition one Lady Apothecary to do all the out-patient work.

(iv) The accommodation available in the Out-patient building requires re-adjustment as the waiting, examination, prescribing and dispensing arrangements are most inconvenient and necessary alteration should be made in consultation with Dr. Jhirad.

(v) The premises require annual repairs urgently and when these are executed, care should be taken to see that all repairs necessary are done. The building looks untidy and uncared for.

(vi) The operation theatre windows require screens for proper adjustment of light and privacy.

(vii) The construction of two more wards already sanctioned. - should be commenced forthwith. Estimate should be called for, for additional quarters for the Lady Sub Assistant Surgeon and the new staff nurse within the compound. The question of providing accommodation for students of the Medical School who come for training may be separately considered and reported upon.

a.h.s. 3/9.

Copy forwarded with compliments to the Secretary to Govt., l & Legislative Department, for necessary action.

Dated Bangalore,

40 The condition of the Special Reserve is as under:-

		Expenditure sanctioned:	
Amount credited to the Special Reserve out of last year's surplus.	Rs.6.29.000	For gratuitous relief in flood affected areas.	Rs.22,000
		Temporary staff for Works.	3,051
		Contribution to Mysore Dt.Bd.	10,750
		-do- to T.Narsipur Municipality.	405
		Carried Over.	Rs.36,206

Rs.6,29,000

Noting Sheet

Serial No.			
	B.F. Rs.6,29,000		Rs. 36,206
		For repairing flood damages to Irrigation Works.	50,000
		-do- to roads and bridges.	2,50,000
		Works in the Cauvery Valley.	2,00,000
		For supplying gratis bamboos to poor persons whose weuses were damaged by floods.	10,000
			Rs.5,46,206.

41 The balance left at credit of the reserve is Rs.82,794/-. The demands against the above balance are the following:-

(1) For flood repair works to be carried out by the Public Works Department, the grant of Rs.5 lakhs now allowed has been fixed as a lumpsum as detailed estimates are not yet ready. I believe it is expected that the actual requirements will exceed Rs.5 lakhs.

(2) The grant of a lakh and a half for improving the Mysore City Water Works has now been allowed as a loan. The Municipality, however, has not agreed to take a loan. I fear that this charge may have to be treated as a final one. It is desirable, therefore, to have some balance at the credit of the Special Reserve to meet this demand for final charge as our ordinary revenue finances cannot afford to bear this large and special charge.

NOTE—Contn. Sheet

42

In the above circumstances, it is now difficult to provide money for the Maternity Hospital and attempts may be made to provide for it in the next year's Budget.

Chief Engineer of Mysore, Bangalore.

To

B. Nagappa, Esq., Bar-at-law.,

Secretary to Government, Local and Legislative Depts:

Bangalore.

SIR,

With reference to correspondence ending with this office Memo No.B.10807 dated the 1st April 1924, in the matter of imppove-ments to be carried out to the Maternity Hospital at Bangalore as per remarks made by the Dewan during his inspection of the building: I have the honour to inform you as follows:-

(1) The construction of a new labour ward at a cost of Rs.7,350 has been sanctioned by Government in the Public Works Depart ment and the work is in progress,

(2) Rough plans and estimates for the Out-patient Dispensary -- Block, Quarters for the Lady Assistant Surgeon and the new staff nurse have been forwarded to the Senior Surgeon for his opinion. They are not yet returned from him.

(3) Necessary repairs to the building and provision of screens to the windows of the operation theatre will be attended to out of the annual repair estimate sanctioned for the build-ing for the year,

(4) An estimate for the construction of the Gynocological Ward in the hospital has been submitted to the Secretary to -- Government, Public Works Department for orders, and orders of Government thereon are awaited,

(5) The fitting up of the present labour wards in the two blocks as lying-in-wards and the strengthening of the present staff rests with the Medical Department.

2. This disposes of your D.O.reminder No.L.9006 dated the 19th May 1924.

I have the honour to be,

Med 85-23-8

With reference to your letter No.L.4916-17/Medl. 85-23-1 dated 2-1-24, I have the honour to submit the following information regarding the action taken on the several points raised in the Dewan's inspection of the Maternity Hospital, Bangalore.

1. The construction of a new Labour Ward at a cost of Rs.7350/- was sanctioned in P.W.Secretary's No.129 dated 26-2-24 and the work is in progress. As soon as it is completed plans and estimates for Corridors to connect the ward with the Lying-in-wards will be obtained and submitted for sanction.

2. The conversion of the present labour wards into lying-in-wards forms part of the scheme relating to the construction of the new labour ward and will be given effect to as soon as the new labour ward is completed and occupied.

3. There are at present, a Lady Sub Assistant Surgeon and a Lady Apothecory to help the Lady Medical Officer in running the Institution. The strengthening of the Establishment by another hand of the grade of Assistant Surgeon will be attended to as soon as possible after orders of Government are passed on the revision of Ladies' Cadre and a Lady Assistant Surgeon becomes available.

4. Plans and estimates for a separate out-patients' block at a cost of about Rs.15,000/- are being got up. The

present

resent out patients' block will then give space for special wards and other purposes.

5. Instructions have been issued to the Lady Medical Officer to make timely reference to the Executive Engineer every year whenever the attendance of in-patients is the lowest, and get the necessary annual repairs attended to more thoroughly than in the past.

6 The provision of screens to the window of the Operation Theatre for proper adjustment of light therein will be attended to shortly by the P.W.D. to whom a reference has already been made.

7. The construction of the labour ward is in progress. Plans and estimates for the construction of a Gynecological ward at a cost of Rs.10.400/- (?) has already been sanctioned in G.O.No.L.2581-3/Medi.149-22-5 dated 5-10-23 and the Chief Engineer has promised to have the work started with the Rs.8000/- donation already placed at his disposal. A programme for the construction of quarters for all members of the Medical and nursing staff of the Institution will be drawn up in consultation with the Chief Engineer and submitted in due course.

I have the honour to be,

Sir,

Your most obedient servant,

K.T.B. [illegible]

SENIOR SURGEON.

GENERAL & REVENUE SECRETARIAT 1360 25. AUG. 1924 LOCAL SELF GOVT. BRANCH

OFFICE OF THE SENIOR SURGEON
WITH THE GOVT. OF MYSORE,

BANGALORE 23rd Aug. 1924.

FROM Dr. H. B. Mylvaganam, F.R.C.S., (Eng.),
Senior Surgeon with the Government of
His Highness the Maharaja of Mysore,
Bangalore.

To The Secretary to the Government of
H.H. the Maharajaof Mysore, Local and Legislative
Departments, Bangalore.

24 AUG. 1924

Sir,

With reference to your letter No. L. 612 Med. dated 24th July 1924, I have the honour to enclose a copy of my D.O. letter addressed to the Dewan, reporting on the several points dealt with in his notes of inspection of the Bangalore Maternity Hospital, for the improvement of the institution.

I have the honour to be,

Sir,

Your most obedient servant,

H.B. Mylvaganam

Senior Surgeon.

Office of the Senior Surgeon in Mysore,
Bangalore, dated, the 14th Aug. 1924.

75

D. O. No.

My Dear Sir

With reference to your D. O. letter No. M. C. 116 dated the 25th July 1924, requiring me to submit a note on ~~the~~ what has to be still done to complete and carry out the suggestions made by you for the improvement of the Maternity Hospital, Bangalore, I beg to state as follows:-

BUILDINGS AND IMPROVEMENTS THERETO.

1. THE NEW LABOUR WARD which was sanctioned in P.W. Secretary's No. 129, dated 26th Feb. 1924, is almost completed and is expected to be ready for use in about a month's time.

2. CORRIDORS to connect the above with the main wards The plan and estimate amounting to Rs.6,110, for this wor were duly countersigned and returned to the Executive Engineer, Bangalore Division, Bangalore, with my letter No. C.2658-1 dated 1st July 1924, for further action being taken.

3. GYNECOLOGICAL WARD. I was given to understand that tenders have been called for this work, the 9th instant being the last date for receiving the tenders. The work is expected to be actually started within a short period.

4. A SEPARATE BLOCK FOR THE OUT PATIENTS DEPARTMENT. A rough plan of this building, received from the Executive Engineer, Bangalore, was returned approved, on the 4th instant with a request that detailed plan and estimate may be sent up early for my countersignature. It is estimated to cost about Rs.15,000 and to set free the rooms in the present central block for use as special wards and other purposes.

5. Staff

5. STAFF QUARTERS FOR ADDITIONAL ASSISTANT SURGEON AND NURSES. The preliminary tracings for the above buildings estimated to cost Rs.5,750 and Rs.3,000, respectively, were duly approved and returned to the Executive Engineer with my letter No. C. 1204-6 dated 31st May 1924, for further action. (3)

6. EXTENSION OF PUPIL NURSES QUARTERS. An extra block has to be added to the present pupil Nurses' quarters, so that the Septic Ward now given for their use, may be set free for its legitimate purpose. I am addressing the Executive Engineer on this point. (4)

7. A DHOBY KHANA is the last, though by no means the least, of the Hospital requirements in respect of buildings. I am addressing the Executive Engineer about this also. (5)

Items Nos. 2,4,5,6 and 7 above are estimated to cost about Rs.35.000. In his letter No. 2330 dated 16th Aug. 1924, the Chief Engineer has intimated that provision has been made for the 1st and 3rd works and that no provision could be provided for the others in the current year's budget on account of the financial stringency. I would make an earnest special appeal to Government to be so good as to issue orders to the Public Works Department to get up detailed plans and estimates for these works and to provide the required funds to start the work this year, as great inconvenience is felt to carry on even the usual routine work satisfactorily. The present Septic Ward must be kept apart for the septic cases that are frequently admitted into the hospital, as the danger to other clean cases is great by mixing all the cases indiscriminately. Quite recently the hospital had to be closed for two weeks on account of septic cases.

EQUIPMENT - Furniture, Bedding &c.

Equipping the new labour ward and the two lying in-wards to be opened, with furniture, bedding and clothing,

clothing, is an urgently necessity. Also an up-to-date operation table and other accessories for the Operation Theatre are necessary. The Lady Medical Officer has furnished an estimate for these articles, which amounts to Rs.4,738. I am unable to see my way to suggest any source to meet this cost. I am submitting the indent separately to Government for sanction. In view of the fact that the provision of Rs.two lakhs asked for for the Medical Stores has been reduced to Rs. One and a quarter lakhs in the sanctioned Budget, I earnestly hope that Government will be pleased to sanction the amount as an additional grant.

REVISION OF THE STAFF.

In addition to the provision o f an Assistant Surgeon and an extra Sub Assistant Surgeon to the Medical staff of the institution, the Nursing staff also requires strengthening by the provision of a properly qualified Matron on a salary of Rs.100-10-150, the present Matron being styled Assistant Matron, and by providing five staff Nurses on the scale of pay obtaining in the Victoria Hospital, or, say, on Rs.55-$^{5}/_{3}$-75. In my unofficial notes regardingthe revision of the Ladies' cadre, provision has already been made for an Assistant Surgeon and two Subordinates for this institution If the proposal is sanctioned, the required staff (medial) will be automatically secured. But to get the necessary staff for this institution sanctioned independently of that proposal I have thought it advisable to submit a proposition statemer for the revision of the establishment of the Maternity Hospital at a cost of about Rs.9,000. This also, I am submittir separately to Government.

The annual repairs to the buildings have been properly attended to and it is understood that the screen to the window of the Operation Theatre is also being provided by theExecutive Engineer.

To

To sum up, sanction to construction of additional buildings costing about Rs.35,000/- this year;

to an additional provision of Rs.4,738/- immediately for the equipment of the new labour ward, the operation theatre and two lying-in-wards,

and to a revision of the medical and nursing establishment at a cost of about Rs.9,000/- per annum is earnestly solicited.

I remain,
my dear Sir,
Your Sincerely,

sd. H.B. Mylvaganam,

"Copy.

H.B. Mylvaganam

Senior Surgeon.

FROM J. Bhore
S. ONNAMDI, Esq.,
Chief Engineer of Mysore, Bangalore

To

K. R. Seshachar, Esq., B.A.,B.E.,
Secretary to Government,
Public Works Department,
Bangalore

SIR,

With reference to this office memo No.R.14205 dated the 5th June 1924 stating that detailed estimates and plans for works referred to by the Dewan in the Visitors' Book of the Maternity Hospital at Bangalore will be forwarded on receipt of this office I have the honour to forward herewith, for favour of sanction, es mates aggregating to Rs 30,055 for works detailed in the margin.

2. The reports accompanying the estimates for each of the buildings explain the necessity for the work; and the authority f the preparation of detailed estimate and plan is also given. The plans and estimates have been countersigned by the Senior Surgeon and he has desired that steps be taken for starting works early.

3. The several estimates and plans as well as the site plan were forwarded to the Consulting Architect to Government before s mission to Government. That officer has replied that the design for the buildings are quite suitable and in keeping with the sta designs and existing structures.

4. A copy of the D.O. reply sent to the Dewan on the above subject and his reply thereto are herewith forwarded for inform

41

Med D 5-23-15

A modified estimate amounting to Rs 4,200 for constructing carridor for connecting the wards with the main administrative block has been submitted in this office No.P.8130 dated the 28th November 1924.

6 As regards the construction of the two new labour wards referred to in the Minute by the Dewan, estimates for the same have been sanctioned and they are in progress. These works are expected to be completed before June 1924.

7. This completes the list of items to be attended to by the P.W.Department.

8. There is no provision for the items of work referred to in para 1 above nor is it possible to provide any amount by reappropriation either out of the slender grant sanctioned for expenditure during the year 1924-25. Government may be moved to allot a special grant in case the works are to be started this year.

I have the honour to be,

Sir,

your most obedient servant,

Additional Buildings to the Maternity Hospital at Bangalore.

SIR,

3998

With reference to this office memo No.9070 dated the 18th December 1924 in the matter of constructing additional buildings in the compound of the Maternity Hospital at Bangalore as per Dewan's memo in the Visitor's Book maintained in the institution, I have the honour to forward herewith, for your information a copy of letter No.P.W.2257 dated the 29th January 1925 received from the Secretary to Government, Public Works Department stating that Government direct that the estimate for the works in question be submitted for sanction next year if the provision therefor could be made in the Budget Estimates for the year 1925-26.

I have the honour to be,

Sir,

Your most obedient servant,

For Chief Engineer of Mysore.

65

Letter No.2257 dated the 29th January 1925 from the Secretary to Government, Public Works Department, to the Chief Engineer of Mysore.

With reference to your letter No.9069 dated the 18th December 1924, forwarding for sanction, estimates aggregating Rs30,300 for constructing subsidiary buildings in the compound of the Maternity at Bangalore, I have the honour to state that Government direct that, as there is no provision for these works in the current Year's budget, necessary funds therefor be provided in the draft budget for the year 1925-26, and the estimates for the works submitted for sanction if the provision is approved by Government.

2. The estimates and other enclosures are herewith returned.
